Deputy Director, Central Intelligence

Assistant Director, Reports and Estimates

25X6

Survey of Persia

Reference: Memorandum for Deputy Director, CI, from [REDACTED] 25X1X7
25X1X7 [REDACTED] subject as above, dated 28 February 1949.

1. ORE has determined that the contributors to the CIA publication, Map, Chart and Photo Appraisal of the Persian Gulf Area, are willing that the information contained therein be included in subject document of secret classification.

2. In obtaining this statement from the contributors, CIA 25X1X7 did not raise the question of dissemination of [REDACTED] 25X1X7 particularly [REDACTED] 25X1X7

3. In view of the fact that the SANACC subcommittee on 25X1X7 Military Information Control is reviewing the question of [REDACTED] eligibility to receive U.S. military information, it is recommended that the CIA member of SANACC should be requested to advise the Director and ORE on this point.

4. ORE and OCD have discussed this problem informally and appear to be in agreement on this point.
